TRAINING CLASSES

You will find below the complete list of our available training classes.
Register page 5, terms & conditions page 6.

🔴 FUNDAMENTALS

BI02	TSO, ISPF & SDSF	4 days
BI03	JCL & utilities, JES2, SDSF	4 days
VS00	VSAM/IDCAMS	3 days

🟢 SYSTEM

AS00	Assembler for z/OS	4 days
AS10	Advanced Assembler for z/OS	4 days
ST10	z/OS Installation and Configuration	5 days
SP10	z/OS Architecture & Facilities	1 day
MF10	**z/OS Management Facility Introduction (z/OSMF)**	**2 days**
SX00	Sysplex	2 days
SY10	Sysplex set up	3 days
SO01	z/OS and JES2 Operations	3 days
SM00	SMP/E Introduction	3 days
SR10	RMF & SMF Presentation	1 day
WL00	WLM Introduction	1 day
WL10	WLM Set up	4 days
RS10	introduction to networks for z/OS systems	3 days
US90	Unix System Service	4 days

🟣 DB/DC

CI00	Introduction to CICS	2 days
CI10	CICS Installation and Configuration	3 days
DB00	DB2 presentation	3 days
DB00	Introduction to DB2	3 days
DB10	DB2: Installation and Configuration	3 days
DB30	Performance and Tuning	3 days
CD10	IBM Conect: Direct-Installation & Administration	2 days
IM00	IMS Presentation	2 days

TRAINING CLASSES

🟠 DEVELOPMENT

CB00	COBOL Programming for z/OS	5 days
CI15	COBOL Programming for CICS	3 days
DB15	COBOL Programming for DB2	3 days
PR00	Principia - Usage	2 days
PR01	Principia - Administration	1 day
RX01	REXX - Programming in a TSO environment	4 days
IS10	ISPF Dialog Manager and LMF Functions	2 days
SQ00	SQL language	3 days

🔵 SPACE MANAGEMENT

DM00	Data management	3 days
ES10	DFSMS implementation	4 days
EH10	DFHSM implementation	4 days

🟣 SECURITY

SE20	RACF administration	3 days
SE30	Advanced RACF administration	4 days
TS80	CA Top Secret - Basic features	4 days
TS81	CA Top Secret - System settings & advanced features	3 days
PE20	Pervasive Encryption	3 days

🟢 EXPLOITATION

SA10	Tivoli System Automation - Implementation	2 days
IW00	IWS Presentation - IBM Workload Scheduler	2 days
TW00	Introduction to TWS	2 days

TRAINING CLASSES

🟠 BROADCOM & BMC ETC...

BI30	CA Endevor Introduction	1 day
CA80	CA1 - Basic & advanced features	4 days
CA87	CA7 - Basic features	4 days
MS80	CA TLMS - Basic features	2 days
SC80	CA Scheduler - Basic features	4 days
BMC	AMI Ops BASIC	2 days
BMC	AMI Ops M DB2	2 days
BMC	AMI Ops M CICS	2 days

🟢 z/VM & LINUX

VM90	z/VM - Introduction & implementation	4 days
ZL90	Linux on z Systems	5 days

Terms & Conditions

TIMETABLE

First day: 9:30 am - 5:30 pm. Following(s) day(s) : 9:00 am - 5:00 pm.

PLACES

The courses in this catalog are generally held at:
196, les Bureaux de la Colline 92213 ST CLOUD CEDEX (Syspertec Group's headquarters),
or elsewhere on demand.

REGISTRATION

Registration notices specify the address and means of access.

Registrations are considered firm and final upon receipt of your completed and signed form by post or e-mail. Blondeau Informatique will then send you a notice to be handed to each participant, and a training contract in two copies of which one should be returned to us signed and stamped.

After the training, a certificate of attendance will be issued along with the invoice.

POSTPONEMENT AND CANCELLATION

Any registration for a training course may be canceled in writing 15 days before the first day of training.

▶ For cancellations reaching us between one and two weeks before the session starts, 50% of the training fees remain due to Blondeau Informatique.

▶ For cancellations reaching us less than a week before the session starts, 100% of the training fees remain due to Blondeau Informatique. This also applies if the participant fails to appear or partially attends the course.

All prices are without VAT; the applicable VAT rate is 20%. Fees do not include participants' expenses.

Upon invoice reception, you can make your payment by bank transfer to Blondeau Technologies Informatiques with the following bank details:

IBAN FR76 3000 3035 3400 0200 4292 859 - Code BIC SOGEFRPP.
